

# NOTICE TO BIDDERS

The Board of County Commissioners for the County of Owen, Indiana, will receive sealed bids for the design and construction of the substructure and superstructure for:

BRIDGE NO. 106  
ON KLASS ROAD  
OVER BRANCH OF EEL CREEK

Bids will be received until 9:00 AM (LOCAL TIME), on the 6th day of March, 2024 at the office of the County Auditor, Owen County Courthouse, 60 S. Main Street, Spencer, Indiana 47460. All bids will be publicly opened and read aloud at the regularly scheduled Board of County Commissioners Meeting to be held at 9:00 AM, on the 6th day of March, 2024. Any bids received after the designated time will be returned unopened.

The proposed scope of work consists of providing engineering services to prepare a detailed set of specifications and drawings for the single span bridge substructure and superstructure, nominally 38 ft. in total length, 24 ft. in clear width which are to be sealed by a professional engineer, licensed to practice in the State of Indiana. A set of these as build documents are to be submitted at the completion of the work to the county for their records.

The scope of work includes the demolition by the contractor with transport and disposal of all demolition materials by the County from the site.

The scope of work also includes designing and building two abutments. Also, the contractor shall construct the approaches to the new bridge with the exception of any asphalt paving and/or approach guardrails.

The scope also includes the installation of the designed bridge beams and construction of the concrete bridge deck.

Contractors must bid using new steel beams. If used steel beams that meet specs are available, the contractor may bid using them as an option.

Work by County: asphalt paving, furnishing and installation any required bridge approach railing and supplying and delivering all needed aggregate and fill material.

The Contract Documents are on file in the office of the Owen County Highway Superintendent, Owen County Highway Department, 2032 North US Highway 231, Spencer, Indiana 47460.

Proposals shall be properly and completely executed on the proposal form furnished to bidders, A certified check, bank draft, or a satisfactory bid bond executed by the Bidder and a surety company in an amount equal to ten percent (10%) of the bid shall be submitted with each bid. The Contractor awarded the work will be required to furnish an acceptable Performance Bond in the amount of one hundred percent (100%) of the contract price; a payment bond equal to one hundred percent (100%) of the contract price. Proof of insurance as specified in the General Provisions will also be required.
