

Owen County Building Department and Storage Unit Rentals Introduce Credit and Debit Card Payments in Collaboration with PayGov

Owen County, 7/12/2023 - The Owen County Building Department and Storage Unit Rentals are pleased to announce a significant enhancement in their payment options with the introduction of credit and debit card acceptance. This new development is made possible through a strategic partnership with PayGov, a leading payment solutions provider. Additionally, we would like to acknowledge Michael Hiatt as the owner of PayGov, whose expertise and dedication have facilitated this seamless integration.

The Owen County Building Department, responsible for overseeing construction projects and ensuring compliance with building codes, is thrilled to offer the convenience of credit card payments within their office. With this new payment option, customers can now settle their fees and permits with greater flexibility, enjoying the ease and security of credit and debit card transactions.

Furthermore, the Storage Unit Rentals division has also implemented this innovative payment solution. Customers looking to rent storage units can now conveniently pay online or via the internet using their preferred credit or debit cards. This upgrade simplifies the rental process, eliminating the need for cash or checks and streamlining payment procedures for both existing and prospective customers.

By embracing digital payment methods, Owen County Building Department and Storage Unit Rentals demonstrate their commitment to enhancing customer convenience and satisfaction. With PayGov's secure and reliable payment platform, customers can rest assured that their transactions are handled with the utmost care and security.

"We are delighted to partner with PayGov to bring this modern and user-friendly payment option to our valued customers," said Suzanne Simmerman, Building & Mapping Director of the Owen County. "By accepting credit and debit cards, we aim to provide a more convenient and efficient payment experience, ensuring that our customers' needs are met with the utmost convenience."

Michael Hiatt, the owner of PayGov, expressed his enthusiasm about the collaboration, stating, "We are thrilled to support Owen County Building Department and Storage Unit Rentals in their transition to digital payments. Our secure and user-friendly platform empowers customers to conveniently pay for their services, promoting a seamless and hassle-free experience."
