Deck Lighting	Diving Boards	Electric Pool	Pool Heater	Under Water Lighting	Overhead Power Lines

If the plans and specifications are not being provided by an Engineer or Contractor please provide a site plan of the proposed project on the next page. The drawing shall provide a sketch drawing of the proposed project including the lot lines and the set back from each lot line. The sketch should also include adjacent structures and septic field, including the set backs from each.

= _____ Feet

I the undersigned hereby certify that any statements and or drawings submitted by myself or agents on my behalf are true and accurate. I furthermore agree to perform or have performed any and all work covered by this permit (when issued) in conformity with the laws, regulations and all applicable ordinances. I will also insure that the above project will be contained, conform and comply to the deed and plot restrictions of the above named lot. I also hold harmless Owen County and or its employees of any liabilities that may arise as a result of the above project. I by signing below assume all liabilities associated with the above project.
