Re: Notice of Convening – Municipal Unit Strategic Taskforce (MUST)

Pursuant to Indiana Code 6-3.6-3-13, the Owen County Council hereby convenes the Municipal Unit Strategic Taskforce (MUST) to review and discuss the local income tax provisions established under Indiana law and to determine whether the members can reach a unanimous agreement regarding a local income tax distribution agreement as it pertains to the county's maximum local income tax rates under IC 6-3.6-6-2(b)(1) and IC 6-3.6-6-2(b)(4). While the statute authorizes the Taskforce to seek unanimous agreement, no agreement is required, and the purpose of the meeting is to provide an opportunity for collaborative discussion and consideration of the issues presented.

As provided by statute, the MUST consists of one representative from the county council and the fiscal officer of each city and town located within Owen County.

The purpose of this meeting is to review the statutory changes enacted by HEA 1210 (2026), discuss the financial and operational impacts on local units of government and taxpayers, review relevant financial and operational information, and determine whether the voting members of the Municipal Unit Strategic Taskforce can reach a unanimous agreement regarding a local income tax distribution agreement authorized under Indiana Code 6-3.6-3-13.
